

Visang's online programs for Remote Learning

There are a growing number of schools seeking help through this challenging period.

We offer the digital programs for teachers to teach English by remote learning.

The following models are available at school.

With the help of Visang's Remote Learning Solution, teachers and students can have a group lesson through a personal digital devices such as PC and Tablet PC at home. Class hours and sizes can be organized with maximum freedom on teachers.

Example

Visang's program is customizable with your choice. You can select products and combine them to create your optimized program.

Feature of Visang's Program for Remote Learning

- ✔ Online classes are available through a video chat app using a PC.
We recommend 'Zoom', 'Microsoft Teams' etc. as video chat apps, and other apps can be used.
- ✔ Program operation manual and teacher's guide for the content are provided.
- ✔ A 3-year curriculum is the minimum units to purchase. You can choose and make your own one by combining them.
- ✔ All programs are designed for classroom environments. You can upgrade to the in-class version through a separate inquiry.
